PRESERVATION OF DOCUMENTS AND ELECTRONIC DISCOVERY

The parties have discussed the scope of discovery, including relevance and proportionality and any issues about preserving discoverable information. The parties have also discussed electronic discovery and agree upon the following:

The parties will further discuss a plan and protocol for any electronic discovery and any preservation issues before November 1, 2020, and will present any disputes regarding their plan and protocol and any preservation issues to the Court by December 15, 2020 by letter. The parties are advised that an electronic discovery guide is available on the Court's website.

NON-DISPOSITIVE MOTIONS

A. Dates

1. All non-dispositive motions relating to *fact* discovery must be filed and served by March 15, 2021.
2. All other non-dispositive motions, including motions relating to *expert* discovery, must be filed and served by October 1, 2021.

B. General Procedures

All non-dispositive motions must be scheduled for hearing by calling Terianne Bender, Judicial Assistant to Magistrate Judge Schultz at 612-664-5460, prior to filing, except when all parties agree that no hearing is required. Such an agreement must be expressly set forth in the notice of motion. Once the moving party has secured a hearing date, it must promptly file a notice of motion informing all parties of the nature of the motion and the date, time and location of the hearing, along with complete moving papers as required by Local Rule 7.1. A moving party may not call chambers to "hold" a motion date without filing complete moving papers as required by Local Rule 7.1 unless it receives prior permission from the Court.

Counsel may not notice additional motions for hearing on an already existing hearing date without first contacting the Court for permission. All motions must be filed and served within the time periods set forth in this Order and the Local Rules.

C. Special Procedures for Discovery Motions

Discovery disputes will not be heard unless the parties have first met and conferred either in-person, telephonically, or by video and made a good-faith effort to settle their dispute, pursuant to revised Local Rule 7.1. **If the parties are unable to resolve the dispute after good-faith efforts, the party raising the unresolved issue must first arrange a telephone conference with Magistrate Judge Schultz before filing a formal motion.** No filings on discovery motions will be considered by the Court until the Court has first addressed the matter via conference call.

If a discovery motion is related to written discovery or the contents of depositions, the parties must fill out a chart (attached) that describes each disputed discovery request and response; each party's position, and the moving party's last offered compromise. This chart must be in Word format and emailed at least three business days before the hearing to chambers at: Schultz_chambers@mnd.uscourts.gov. Failure to provide this chart to the Court as required by this scheduling order shall result in the cancellation of the hearing.

DISPOSITIVE MOTIONS

All dispositive motions shall be **filed** by the moving party by **October 1, 2021**. All dispositive motions shall be scheduled, filed and served in compliance with the Electronic Case Filing procedures for the District of Minnesota and in compliance with Local Rule 7.1. Counsel shall schedule the hearing by calling Kristine Wegner, Courtroom Deputy for District Judge Nancy E. Brasel, at 651-848-1530.

When a motion, response, or reply brief is filed on CM/ECF, two (2) paper courtesy copies of the pleading and all supporting documents shall be mailed or delivered to Kristine Wegner, Courtroom Deputy, contemporaneously with the documents being posted on CM/ECF. If the moving papers are more than one inch combined, the papers should be provided in a tabbed, 3-ring notebook.

Notwithstanding the foregoing, no party shall bring a dispositive motion pursuant to Fed. R. Civ. P. 56 while formal discovery is ongoing without first obtaining permission from the undersigned magistrate judge. Permission shall be sought by electronically filing via CM/ECF a letter of no more than three (3) pages briefly setting forth the basis for the motion, whether discovery relating to the issue or issues to be addressed by the motion is complete, and why judicial efficiency would be served by allowing the motion to proceed at this time. The other party or parties may file brief letters in support of or in response to the request. Denial of a request for permission to file an interim dispositive motion shall not be taken as an indication of the Court's view about the merits of the proposed motion.

PRIVILEGE/PROTECTION

The parties agree to follow the procedure set forth in Fed. R. Civ. P. 26(b)(5)(B) regarding information produced in discovery that is subject to a claim of privilege or protection as trial-preparation material. Pursuant to Fed. R. Evid. 502, the inadvertent production of any documents in this proceeding shall not constitute a waiver of any privilege or protection applicable to those documents.

PROTECTIVE ORDER

The parties intend to enter into a protective order. In the interim, any documents that any producing party believes should be governed by a protective order shall be produced to opposing counsel for the attorney's review only and shall not be withheld on the basis that no protective order is yet in place. After the protective order is entered, the producing party must designate the documents under the protective order. Local Rule 5.6 governs filing under seal. Any proposed protective order must include the following provisions: All counsel acknowledge they have reviewed Local Rule 5.6 which governs filing under seal, which procedures are incorporated herein by reference.

JOINT MOTIONS REGARDING CONTINUED SEALING PURSUANT TO LR 5.6

A document will be sealed in a civil case "only as provided by statute or rule, or with leave of court." LR 5.6(a)(1). The fact that a document may be subject to a protective order—for example, that a party designated it "confidential" under a protective order—is not dispositive of whether the Court will order it to remain sealed. Simply stating that a party designated it confidential, without more, is not an adequate reason or explanation within the meaning of LR 5.6(d)(2)(A) to support a request that the Court order the document to remain sealed. A party must briefly explain the underlying reason that the particular information should remain sealed and unavailable to the public. If the reason is not a commonly recognized one, or there is a statute or regulation that requires the information to be withheld from the public, the party must identify it and briefly explain how the information falls under the statute or rule.

TRIAL

This case shall be ready for jury trial as of January 15, 2022. The parties estimate that trial of this matter will take 5 days.

Case Name and Number _____

Several discovery responses have been identified as deficient in [the moving party's Motion to Compel (ECF No. _____)]. To assist the Court in more efficiently resolving the parties' discovery dispute, the parties shall meet and confer, and jointly complete the following chart. The purpose of this chart is not to repeat, or cut and paste, the arguments present in the parties' memoranda, but to identify succinctly each party's position and the compromise last offered at the meet and confer. Please attach additional sheets as necessary. At least three business days before the hearing, the fully completed chart shall be e-mailed to chambers at Schultz_chambers@mnd.uscourts.gov
